Your support will truly make a difference. The funds raised at this year's Night Steps event will help set up a **Tech Bar** at the CNIB Foundation's Edmonton office. This is a space where people impacted by sight loss can access leading-edge products while also benefiting from training and support.

Register as an individual or as a team (create your own team or join an existing team), and we'll give you the tools to make fundraising simple and fun! Registration is **FREE** but a **minimum \$25 donation** is suggested and we are asking each participant to raise at least \$100. CNIB Clients are welcome to walk **FREE** at no charge.
